Production Notes

This wine is a blend of individual parcels made in our cellar. Fruit is harvested at optimum flavour, before being crushed and destemmed to open fermenters for gentle foot stomping and hand plunging. The wine is aged in older French oak. After maturation the batches are blended before clarification and bottling.

Tasting Notes

The blend is a great example of each region that goes into it, fruit vibrancy and rich tannin from Langhorne Creek with elegance and length from McLaren Vale. With bright cherry red hues, and a lifted aroma of floral violets and deep berries, this wine has a velvety palate of berries, silky tannins and long lingering vanilla spice.

Food Match

Match well with rich and flavoursome comfort food, maybe a slow roasted leg of lamb, a beautiful steak, home made lasagne or even a delicious aged cheese.
