A LITTLE HOUSEKEEPING

A few details to help you enjoy your day ...

- If you have any dietary requirements / allergies, **please** let our friendly staff know.
- Our Gluten Free bases are prepared in-house and do contain egg. Please have a chat to our staff about whether you would prefer your GF pizza cooked on the bricks (this **WILL** come into contact with some flour but makes a tastier pizza) or on a tray. Please be aware we cannot guarantee complete GF due to the flour dust present in our kitchen.
- Toilets are located in the Cellar Door and in the Front Carpark.
- We hope the kids having lunch with us find the toy boxes, sand pit and colouring in table and that they share this fun with the supervision of an adult at all times. Remember to keep those shoes on kids!
- You are more than welcome to share a cake with your table, please be aware that there will be a charge of \$2.50 per head.
- Guests who would like to smoke, please note that the Restaurant is a non-smoking and non-vaping area. We have allocated a smoking area in the orchard in the front carpark. Whilst we respect your choice to smoke, we do not respect or endorse your decision to litter, so please dispose of your butts in the ash-trays and bins provided. Please also remember to leave your drinks at the table.
- You are welcome to take leftovers, please note we cannot be responsible for food safety or allergen crossover once food leave our premises.
- For your safety, **please keep your shoes on** whilst onsite.
